Mrs. Howard N. Rhodes, chairman of the city civil service commission, has given out a statement saying that the difficulties between the commission, Mayor House and other city officials have been smoothed over.

## Kaiser Again Balked

Paris Reports Germans Repulsed Thrice on West Front.

Paris, Oct. 18.—French forces repulsed completely last night three German attacks, according to the announcement given out this afternoon by the French war office. These took place at Bois-En-Hache, to the northeast of Soissons.

Near Front Fire Swept.

Lan Panne, Belgium, Oct. 18.—The Belkische Standard, published here, says that a terrible bombardment was in progress along the Tser front Saturday and Sunday night. The firing was

especially violent near Dixmude and Ypres.

This bombardment was the prelude to an attempt by the Germans to break the Belgian lines. The Belgian artillery returned the fire, shelling the enemy's communication trenches and scattering his infantry as they leaped from the trenches. A second attack on a smaller scale also was repulsed.

This offensive took place in the Dixmude region at a spot known as "Death's highway," which has been stubbornly disputed by both sides. Although mowed down in rows, the Belgians have been holding their own and not yielding an inch of ground.

The father of one of the victims stood up in court and protested against the laconic verdict reached. He cried:

"My son was murdered by the order of the Kaiser. I summon the Kaiser to meet me before the judgment seat of God to answer for the death of my son and of these other poor people."

## SLAP AT CENSOR LAW

Movie Men at Pittsburg Discuss Plans for Probable Repeal.

Pittsburg, Kan., Oct. 18.—Censorship is the overhanging topic of discussion among the members of the Kansas branch of the Moving Picture Exhibitors' League of America in session here today and tomorrow.

P. J. Concannon of Emporia, secretary, is advocating exhibitors using the screen to urge the election of legislative candidates, regardless of political party, who will pledge themselves to a modification or repeal of the censorship law. Blue penciling of twenty feet of film criticism of the censorship law has turned sentiment against censorship, the film men say, because it is a blow at free speech and indicates the danger of censorship extending from the scene to the press.

Had bad case of Stomach, Liver and Kidney Trouble for years.

States that Heart became affected and was greatly worried.

## TANLAC BROUGHT RELIEF

Declares Remedy brought wonderful Change in Condition.

Can't say too much in praise of Master Medicine.

Mrs. E. Roman, residing at 502 South Main street, Wichita, Kan., expresses her gratitude for the remarkable accomplishments of the new preparation, Tanlac. She said:

"It was my misfortune to be afflicted with an aggravated case of stomach, liver and kidney trouble, for months gas would form in my stomach, causing severe pains that would last for some time. This condition would affect my heart. I was dreadfully constipated which caused me to have violent headaches."

"After seeing Tanlac advertised in the newspapers, I decided to give it a trial. I was astonished at the results from only two bottles of the medicine. I no longer suffer from gas in my stomach, the pains around my liver are completely gone, and my condition in general is wonderfully improved. I can't say too much in praise of Tanlac, and recommend it to anyone that is now suffering with the same trouble that made my life a daily burden."

Tanlac has proved itself a valuable correction in severe cases of stomach, kidney and liver trouble such as Mrs. Roman had suffered from.

The premier remedy is now sold in this city at the Tully-McFarland drug store, where W. C. Pope, the Tanlac man, is greeting the public daily from nine to nine. Tanlac may be obtained at \$1.00 a bottle, three for \$2.75, or six bottles for \$5.00.

Other exclusive agencies where Tanlac can be had: Burlingame, Kan., E. T. Price; Osage City, Kan., A. C. Roser; Lawrence, Kan., Round Drug Co.; Emporia, Kan., H. C. voice," she said. "It is really of fine quality but he has not sung professionally except in a male quartet at college. He is modest about his voice."

Miss Wilson, who was to give a recital here Tuesday night, said her sole ambition in life is to sing. She said she preferred an artistic career to that of a social one.

"Society isn't a career," she said. "My earliest recollection is that music appealed to me intensely. When we were faithfully poor my parents engaged a German governess. We could not afford to play but she used to sit at an old organ and sing German songs by the hour. I often think of it when I am singing. I wish I could create the atmosphere for every song as she did as I looked and listened, amazed and delighted."

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous.

Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dizziness" and that lousy feeling come from constipation. Get Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. At 10c and 25c per box. All druggists.
